

## Teen Church School Report

November 20, 2022

Our teen church school classes started back up in October. Our focus during our times together has been on how God works in our lives in unexpected ways ... the things we see as impossible are possible with God. Also, as we meet together, we are building and strengthening our relationships with each other. We see this happening, not only through discussion, but through play and service as well.

REMEMBER: The youth meet the first Sunday of each month after Liturgy.

Some upcoming events:

- Our annual Christmas Party on December 4.
- A fun team-building outing in January.
- Our 2nd Annual Ice Cream Social. Coming this spring.

In Christ.

Brian Edwards and Lester San Jose
